

## **REVENTON DJing SERVICE CONTRACT**

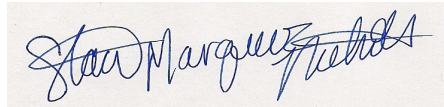

On \_\_\_\_\_ (today's date), Reventon Enterprises ("DJ") and \_\_\_\_\_  
(your name, "client"), who is over the age of eighteen (18), hereby agrees as follows:

- 1) Reventon Enterprises will provide DJ/Emcee services for the client on \_\_\_\_\_ (event date) from \_\_\_\_\_ AM/PM (start time) to \_\_\_\_\_ AM/PM (end time) at \_\_\_\_\_  
(complete address of event). There is a three (3) hour minimum required.
- 2) Client agrees to pay a non-refundable deposit fee of one-hundred dollars (\$100.00). This deposit will be applied towards the total performance fee.
- 3) The DJ's performance fee is to be paid in cash in full before the performance begins. A receipt can be issued to the client if desired. Additional hours can be requested during the performance for sixty dollars per hour (\$60/hour). Additional time may not always be available, but the DJ will try to accommodate clients as much as possible.
- 4) If the DJ is unable to perform at the client's event, every effort will be made to find a suitable replacement. The DJ will forward the client's deposit fee to the new DJ or back to the client.
- 5) The client agrees that in all cases the DJ's liability shall be limited to an amount equaling the performance fee, and that the DJ will not be liable for consequential damages associated with breaching this contract.
- 6) Pictures and videotapes of the event are allowed; however, no recordings or reproductions of the DJ's music or programming may be made.
- 7) The client agrees to be held liable for any damage caused to the DJ's equipment or property while on the premises for the performance if the damage is caused by the client, the client's guests (invited or not), or unsafe conditions allowed by the client or the venue.
- 8) The DJ will not perform outdoors during inclement weather (or reasonable possibility of inclement weather) without a weather-proof area being provided by the client. It is the client's responsibility to make sure there is a dry and safe area for the DJ and the DJ's equipment. The space needed for the equipment, at minimum, is a six foot (6') by six foot (6') area, which must have access to an electrical outlet.
- 9) If a dangerous, threatening, or otherwise risky situation exists during the client's event, and the client allows it without correcting it, the DJ will stop performing and leave. This includes ANY criminal activity (including underage drinking, public nudity, and drug use). The client thereby forfeits their time and money paid.
- 10) The DJ shall AT ALL TIMES have complete control of the DJ equipment and the performance.
- 11) The DJ agrees to be ready to perform at or before the scheduled time.

By signing your name here, you indicate that you understand and agree to all the above terms.
